

Solarban® Solar Control Low-E Glass and Sungate® Low-E Glass by Vitro Architectural Glass Identity Standards, Trademark and Logo Usage

Solarban glass and Sungate glass logos and trademarks are intellectual property rights owned exclusively by Vitro and may be used only with Vitro's sole discretion and consent. In return, Vitro will grant the limited, non-exclusive, royalty-free right to use these logos and trademarks in the promotional materials created exclusively by or for your company, with the following limitations:

- 1. Your company may only use the trademarks in the manner and scope approved by Vitro;**
- 2. Your company must follow the specific guidelines, which may be modified from time to time, established by Vitro regarding the use of the trademarks, publicly available at [Trademarks.VitroGlassHub.com](https://www.vitro.com/Trademarks.VitroGlassHub.com);**
- 3. Your company must use proper trademark attribution on all uses of the trademarks indicating that "Solarban is a registered trademark owned by Vitro." or "Sungate is a trademark owned by Vitro.";**
- 4. Your use of the Solarban glass and Sungate glass logos and trademarks is restricted to authorized Vitro goods and services only. Any material modification to any promotional materials referencing the trademarks may require the prior written approval of Vitro.**

Nothing contained in this document shall be construed to place the parties in the relationship of partners or joint venturers and it is agreed and understood that you are not an agent or employee of Vitro. Neither party shall have the right to obligate or bind the other in any manner whatsoever. If this document is drafted in a language in addition to English, the English language version is controlling.

Legal Restrictions

Solarban glass and Sungate glass logos and trademarks:

- May only be used with permission, such as a contractual agreement or with expressed written consent from the Vitro Architectural Glass marketing communications department;
- May not be used in or as the name of your company, products or services, nor as part of your domain name or social media profile;
- May not be used in false or misleading advertising as defined by applicable law, municipal ordinance or the administrative agency regulations of any country;
- May not be used in any objectionable material considered by the company to be defamatory, scandalous, pornographic or otherwise detrimental to the image of the company;
- May not be used to disparage Vitro Architectural Glass and its products, people or services; or in any way to diminish or damage the reputation or goodwill of the company and/or its trademarks;
- May only be reproduced using logo files provided by Vitro and/or its related entities.

Trademark Usage: Solarban® Solar Control Low-E Glass

- Initial reference (headline, subhead or copy) always should be in italics, with initial cap, bold, followed by ® and the attributive noun "solar control low-e glass" (i.e., **Solarban®** solar control low-e glass).
- In all references after the initial reference, *Solarban* should be in italics with initial cap, no ® and not bold. The noun "glass" always must appear after each reference to the product name (i.e., *Solarban* glass).
- *Solarban* may never be preceded by "Vitro" or "Vitro's."

- The trademark may never be abbreviated or used as part of an acronym.
- All communications tools using the *Solarban* glass name and/or logo must be accompanied by a typed notice stating: "*Solarban* is a registered trademark owned by Vitro."
- Individual product logos for any *Solarban* glass product cannot be used without their numerical designations.

Trademark Usage: Sungate® Low-E Glass

- Initial reference (headline, subhead or copy) always should be in italics, with initial cap, bold, followed by ® and the attributive noun "low-e glass" (i.e., **Sungate®** 400 low-e glass).
- In all references after the initial reference, *Sungate* should be in italics with initial cap, no ® and not bold. The noun "glass" always must appear after each reference to the product name (i.e., *Sungate* 400 glass).
- *Sungate* may never be preceded by "Vitro" or "Vitro's."
- The trademark may never be abbreviated or used as part of an acronym.
- All communications tools using the *Sungate* glass name and/or logo must be accompanied by a typed notice stating: "*Sungate* is a registered trademark owned by Vitro."
- Individual product logos for any *Sungate* glass product cannot be used without their numerical designations.

Two-Color Versions

(Sungate not available in two-color)

One-Color Versions: Black

Logo Usage

Placement

- Logos shown indicate the correct relationships among their elements, their relative sizes and their placement relative to each other. These relationships may not be altered.
- Clearance area on all four sides is never to be less than .5".

Font — Never manipulate or replace logo font with another font.

Color

- Preferred usage for *Solarban* is two-color format (PANTONE® 7563 red and Black) to be used on white or light color backgrounds. For *Sungate*, only usage is one-color format (Black) to be used on white or light color backgrounds.
- One-color version formats (black and reversed white only) to be used in one-color media.

Color Formulas

- PANTONE MATCHING SYSTEM (PMS): For offset printed materials or signage with spot colors.
- CMYK: For 4-color process printed materials.
- RGB: For electronic presentations or television.
