Vitro Certified logos and trademarks are intellectual property rights owned exclusively by Vitro and may be used only with Vitro’s sole discretion and consent. In return, Vitro will grant the limited, non-exclusive, royalty-free right to use these logos and trademarks in the promotional materials created exclusively by or for your company, with the following limitations:

1. Your company may only use the trademarks in the manner and scope approved by Vitro;
2. Your company must follow the specific guidelines, which may be modified from time to time, established by Vitro regarding the use of the trademarks, publicly available at Trademarks. VitroGlassHub.com;
3. Your company must use proper trademark attribution on all uses of the trademarks indicating that "Vitro Certified is a trademark owned by Vitro."
4. Your use of the Vitro Certified logos and trademarks is restricted to authorized Vitro goods and services only. Any material modification to any promotional materials referencing the trademarks may require the prior written approval of Vitro.

Nothing contained in this document shall be construed to place the parties in the relationship of partners or joint venturers and it is agreed and understood that you are not an agent or employee of Vitro. Neither party shall have the right to obligate or bind the other in any manner whatsoever. If this document is drafted in a language in addition to English, the English language version is controlling.

Legal Restrictions

Vitro Certified logos and trademarks:
- May only be used with permission, such as a contractual agreement or with expressed written consent from the Vitro Architectural Glass marketing communications department;
- May not be in or as the name of your company, products or services, nor as part of your domain name or social media profile;
- May not be used in false or misleading advertising as defined by applicable law, municipal ordinance or the administrative agency regulations of any country;
- May not be used in any objectionable material considered by the company to be defamatory, scandalous, pornographic or otherwise detrimental to the image of the company;
- May not be used to disparage Vitro Architectural Glass and its products, people or services; or in any way to diminish or damage the reputation or goodwill of the company and/or its trademarks;
- May only be reproduced using logo files provided by Vitro and/or its related entities.

Trademark Usage: Vitro Certified™ Network

- Initial reference (headline, subhead or copy) always should be in italics, with initial cap, bold, followed by ™ and the noun “Fabricator” (i.e., Vitro Certified™ Fabricator).
- In all references after the initial reference, Vitro Certified should be in italics with initial cap, no ™ and not bold. The noun “Fabricator” always must appear after each reference to the product name (i.e., Vitro Certified Fabricator). Other acceptable nouns include: “Network”, “Architectural Window Manufacturer”, and “Laminator”.
- The trademark may never be abbreviated or used as part of an acronym.
- All communications tools using the Vitro Certified Fabricator name and/or logos must be accompanied by a typed notice stating: “Vitro Certified is a trademark owned by Vitro.”
Logo Usage

Placement
• Logos shown indicate the correct relationships among their elements, their relative sizes and their placement relative to each other. These relationships may not be altered.
• Clearance area on all four sides is never to be less than .5”.

Font — Never manipulate or replace logo font with another font.

Color
• Preferred usage for Vitro Certified Network is three-color format (PANTONE® 1815 red, PMS 281 blue and Cool Gray 7) to be used on white or light color backgrounds. For Vitro Certified member logos (Vitro Certified Architectural Window Manufacturer, Vitro Certified Fabricator, and Vitro Certified Laminator), only usage is one-color format (PANTONE® 1815 red) or Vitro Authorized Glass Supplier (PMS 281 blue) to be used on white or light color backgrounds.
• One-color version formats (black and reversed white only) to be used in one-color media.
